

Video instructions for application

Videos: please upload your application videos to YouTube or Vimeo and add them to your Muvac profile under “Videos”. For pre-selection we require three videos:

- One short ‘selfie video’ (maximum 3 minutes) in which you introduce yourself and explain your reasons for being a pianist.
- One performance video of maximum 15 minutes. It should only consist repertoire of Franz Liszt (original compositions, transcriptions, fantasies and/or paraphrases). It should be a live recording of a rehearsal or concert.
- One short video (approx. 5 seconds) where you will swipe while looking in the camera. We will use this video to editing the video that will announce the selected candidates for the live selection rounds.
